**HUGE RESIDENTIAL COMMUNITY BEGUN**

Construction on the new \$20,000,000 residential community which will consist of 1200 homes was begun officially with the ground-breaking ceremony which took place last Friday at 11 a.m. at the site of the first unit near the Smith Bros. Fish Shanty on Pacific Coast Highway. The ceremony was attended by city officials of Torrance, officials of Los Angeles and nearby areas, the press, a community representative.

The Ellinwood Corp., headed by Harry Kissel, has purchased 302 acres of the historic Ellinwood Ranch, fronting on the south side of Pacific Coast Highway 101 in the Torrance-Riviera area, adjoining the Hollywood Riviera and Palos Verdes Estates, as a site for development of a \$20,000,000 residential community with a 20-acre metropolitan shopping center.

**To Begin Immediately**  
Construction will begin immediately on the first unit of 190 3-bedroom two-bath homes, to be priced from \$12,500 and offered to veterans on terms of down payment, except costs and impounds. The first houses are scheduled to be available around October 1.

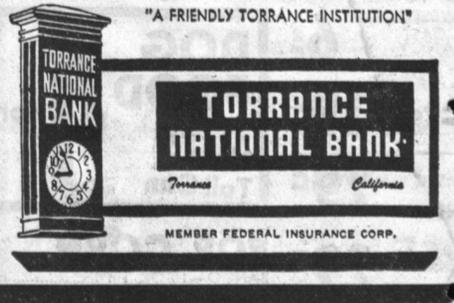

Plans call for eventual construction of 1200 homes and the huge shopping center. Park and school sites have been set aside.

The homes will be built in 25 different elevations and with five varying floor plans and color combinations.

**Sales Agent**  
Herb Lightfoot has been appointed sales agent for the property. Part of Torrance, the new development is served by this city's 21 churches, 13 schools, two hospitals and nearby El Camino and Harbor Jr. College, as well as widely varied facilities of this planned community.

It's wise to have a planned savings program. A portion for emergencies — some for a permanent investment and some also for fun. Start your savings account NOW at Torrance National Bank and add to it every week.

**Christian Science**

The "Light of Faith" program in the regular series telecast by Station KNXT will be presented by the Christian Science Church on Sunday, June 21, at 12:30 p.m., on Channel 2. Enid Bennett Niblo will conduct the program.
